Weekly Message from Fr. George

ALLELUIA! ALLELUIA! ALLELUIA! CHRIST IS RISEN!

I wish you all a very Happy Easter. The resurrection of our Lord Jesus Christ is the hallmark of our Christian faith. **“If Christ has not been raised, then empty [too] is our preaching; empty, too, your faith” (1 Cor 15:14).** But Christ was raised from the dead, and so we too are assured of our resurrection, death, and sin no longer have power over us. This is the cause of our joy, and it is this joy that I share with you. We are overwhelmed by God’s grace and mercy.

Our Christian faith revolves around the resurrection of our Lord Jesus Christ. His resurrection from the dead proves our salvation from sin and death. He put an end to enmity and hatred among people of the world. Therefore, Easter’s joy would not be complete if we did not overcome these dividing evils in our lives and our world. We must see Easter as another opportunity to reconcile ourselves to each other and God, a time to promote love in our families, community, parish, and nations.

Further, Easter is a time for me to thank you for all your support for the leadership of our parish and me. A special thank you to the men and women who volunteer as Extraordinary Ministers of Holy Communion to make the body of Christ available to our brothers and sisters at home, the hospital, and various care homes. Know that the parish cherishes you, but above all, Jesus Christ, whom you take to our brothers and sisters, blesses you. Thanks to you all for contributing to vibrant parish life. But know also that Easter allows us to examine how much we can do or contribute individually to make our parish a better community that serves God, and shares God’s love with the wider community.

Therefore, the parish invites parishioners who have yet to volunteer for any ministry to consider doing so.

I especially thank the Liturgy Community for creating a beautiful Triduum and Easter liturgy. I know you worked tirelessly to ensure that all went well. I thank the cantors and organists for their endless sacrifice to ensure our liturgies’ songs are well sung. I also thank the altar servers and their parents, sacristans, Lectors, ushers, and all others who served in various roles during the Easter triduum and Easter celebrations. God bless you all with His peace, ensuring your happiness always.

I pray that the joy of Easter will become even more manifest in your homes, families, and our parish community. Happy Easter!!

The Resurrection transforms us

Holding the promise of resurrection for ourselves and those we love gives hope and meaning to our life. It transforms us. But we are also transformed by the power God has to raise us from our graves of sinfulness and our tombs of despair. In many ways, our lives are reborn by the Resurrection, like a fresh batch of dough, as Paul told the Corinthians, and by focusing our minds on what is above, as he told the Colossians. A God who has the power to transform death to new life has the power to transform our ordinary, difficult lives to new lives as well. Let our lives stand ready for transformation.
